The University – (Cont'd.)

- Faculties, Departments, Programs, Students, Faculty and Mode of Study
  - Faculties (7) – Electrical, Mechanical, Civil, Chemical, Metallurgical and Polymer, Earth Sciences and Engineering, Architecture and Planning and Natural Sciences, Humanities and Islamic Studies
  - Campus (5) and Departments (51) – Lahore (L, 26), Faisalabad (F, 6), Kala Shah Kaku (K, 8), Narowal (N, 6) and Rachna College of Engineering and Technology (R, 5)
  - Unique UG (29) – Lahore (25), Faisalabad (05), Kala Shah Kaku (07), Narowal (05) and Rachna (04). All programs are accredited by relevant accreditation bodies.
  - Students – UG: 10,452 (M: 8,076, F: 2,376) and G: 2,928 (M: 2,601, P: 327)
  - Faculty – Masters (416) and Ph.D. (354)
  - Semester System (Regular: Fall and Spring, Optional: Summer) – 16 to 18 weeks with Relative Grading

Eligibility Requirements for Admission

- At least 60% marks in Intermediate/ DAE or equivalent foreign qualification examination, certified by IBCC, excluding sports and Hafiz-e-Quran marks

- Should have appeared in the Entrance Test arranged by this University for that academic session in which he seeks admission

- Should earn at least 50% overall adjusted aggregate marks

- B.Sc. Engineering Technology or equivalent degree applicants should have obtained (or expect to obtain) at least 60% marks, in case of annual system, or a CGPA of 2.5 out of 4.0, in case of semester system

Entrance Test Subject Combination Versus Eligible Programs

English, Mathematics, Physics & Chemistry	All programs at UET
English, Mathematics, Physics & Computer Science	Computer Engineering, Computer Science, Software Engineering, Architecture, City & Regional Planning, Product and Industrial Design, Business Administration, Business Information Technology, Mathematics and Physics
English, Mathematics, Physics and Statistics	Architecture, City & Regional Planning, Product and Industrial Design, Business Administration, Business Information Technology, Mathematics and Physics
English, Biology, Physics and Chemistry	Biomedical Engineering, Environmental Science, Business Administration, Business Information Technology, Chemistry and Physics
Any other subject combination	Business Administration and Business Information Technology

100 Years of Excellence

Merit Computation

- For applicants with Intermediate/Equivalent qualification or Diploma of Associate Engineer qualification or B.Sc. Engineering Technology*/Equivalent qualification:
  - 70% weight to percentage marks obtained in the relevant examination, in case of annual system, including Sports (out of 10) and Hafiz-e-Quran (out of 20) marks – For Example, 880 out of 1100 translates to 56 out of 70
  - 30% weight to Entrance Test marks – For Example, 280 out of 400 translates to 21 out of 30

* - In case the degree being awarded is under semester system, a CGPA of 2.5 out of 4.0 will be equated to 60% marks and a CGPA of 4.0 out of 4.0 would be equated to 90% marks. Other values of CGPA, out of 4.0, will be interpolated accordingly

Undergraduate Programs (B.Sc.)

- Architectural Engineering (L)
- Automotive Engineering (L)
- Biomedical Engineering (K, N)
- Chemical Engineering (F, K, L)
- Civil Engineering (L, N)
- City & Regional Planning (L)
- Computer Engineering (L)
- Computer Science (K, L, N, R)
- Electrical Engineering (F, K, L, N, R)
- Environmental Engineering (L)
- Environmental Science (F, K)

- Geological Engineering (L)
- Industrial & Manufacturing Engineering (L, R)
- Mechanical Engineering (K, L, N, R)
- Mechatronics & Control Engineering (L, F)
- Metallurgical & Materials Engineering (L)
- Mining Engineering (L)
- Petroleum & Gas Engineering (L)
- Polymer Engineering (L)
- Software Engineering (K)
- Textile Engineering (F)
- Transportation Engineering (L)

100 Years of Excellence

Lahore (L), Faisalabad (F), Kala Shah Kaku (K), Narowal (N) and Rachna College of Engineering and Technology (R)

Other Undergraduate Programs (Bachelor and B.S.)

- Bachelor
  - Architecture (L)
  - Business Administration (L)
  - Business Information Technology (L)
  - Product and Industrial Design (L)

- Bachelor of Science
  - Chemistry (L)
  - Mathematics (L)
  - Physics (L)

Application Categories – Open Merit

Category	Description	How to Apply?
A1 *[Open Merit Seats (subsidized)]*	Only Punjab domiciled candidates, having requisite qualification (other than DAE), can apply for open merit seats under 'A1' category. ***Tuition fee is subsidized.***	Submit application to UET Lahore according to the procedure and requirements laid down in this prospectus. Preference List

- The following aspects must be kept in mind when filling the preferences:
  - Preferences of disciplines, campuses and categories once chosen and submitted cannot be changed. Ineligible category will result in cancellation of the application
  - No request for freezing by a candidate, admitted in the lower preference discipline, would be entertained. The candidate will continue to be considered for movement into his/her higher preference in subsequent merit lists only if he secures his seat by paying all dues
  - Candidates must note that after the display of merit list, no application would be entertained for moving to a lower merit preference. Applications for moving into lower merit preference would only be accepted on-line from admitted candidates only, after the last merit list as per announced schedule

Fee Structure – Day Scholars

For All, Except Civil, CRP, Geological, Mining & Transportation	A1, I, L, NM, P and R Fully Subsidized	A2, N, O and S Partially Subsidized
